## WORDPRESS MAINTENANCE

**SKU:** 013

We make the maintenance of your WordPress website. What's is included:

- WordPress version update.
- Plugin updates (if premium plugins need to be updated with some cost, this cost should be paid from Site Owner separately and not included in the maintenance).
- Brute force login attacks protection.
- Downtime monitoring.
- Performance and speed (load pages faster by allowing plugin to optimize your images and serve your images and static files (like CSS and JavaScript) from the global network of servers).
- Site accelerator (speed up image load times, speed up static file load times, lazy loading for images).
- Priority support.
